

# MEET THE TEACHER!

Hi! My name is Miss. Hazen and I am going to be your second grade teacher! This will be my second year teaching at West Valley! I love second grade and all the exploring, learning, and fun we get to have!

I have a bachelor's degree in Elementary Education with an concentration in Math and I love to teach math! I could teach it all day! I can't wait to help you become a better mathematician! I also love reading and am excited to help you become a better reader and expose you to lots of new reading adventures!

I grew up right here in Kalispell, Montana and I love it here! My parents live here as well but my brother has started a new adventure teaching in Nevada!

This summer I was able to visit all my family in California and even went to a zoo! I have nannied a 6 year old this summer and loved it! I enjoyed going to the lake, library and the movies with her.

I can't wait to spend the next year learning and growing with you!

Dear Parents:

I am so excited to offer you a chance to help in our classroom. Even if you can't volunteer during the day there are other ways for you to be involved! If there is something not listed that you would like to do, please let me know.

\_\_\_ **Reading Partner** - Read with a child or small groups.

\_\_\_ **Classroom Preparation** - This job can be done in the classroom or at home. It can involve cutting large numbers of things, gluing, stapling, hole punching, etc.

\_\_\_ **Class Photographer** - Our photographer would need to come to our special events, take pictures, develop them and create some sort of display to hang in the classroom.

\_\_\_ **Field Trip Chaperone** - Ready for travel and excitement? I can always use extra hands during our class field trip.

\_\_\_ **Tutor** - Devote your time to helping students who need some extra one-on-one help. You may be drilling flash cards, studying spelling words, reading, or working on writing.

\_\_\_ **The "Essentials" Helper** - Lend a helping hand in making copies and paper work that needs to be done throughout the week.

\_\_\_ **Other Needs** - If you see a need that I have not mentioned, please contact me! I would be grateful to have you help in any way that you feel will be an asset to our students.
